		Free

Booking Conditions for Schools and All Groups

1. To book the cabin, email mmnsclub@gmail.com. Your booking does not exist until we confirm via email.
2. Even when you have a booking, you do not have exclusive rights to the cabin. We will do our best to book only one group at a time. The cabin is open and available to all skiers to warm up and to use the ski library. Club members are notified that there is a cabin booking and they understand that the library may not have the full selection.
3. Please notify us if you change your plans. Early notice is appreciated. No charge for cancellations.
4. Grooming may or may not coincide with your visit. Our groomers try to meet the needs of all users and work around snow falls and personal schedules.
5. The Ski Library is a shared asset for club members and the public. Please encourage your users to treat the equipment with respect. Your fees help to maintain the library.
6. Do not expect there to be water at the cabin. Bring whatever water you will need.
7. Please leave the cabin and equipment at least as clean and organized as you found it. Be aware there is no dishwashing facility or water for clean up.
8. Should you notice something that the club needs to attend to, please email the club at mmnsclub@gmail.com. We appreciate all feedback.
9. Payment can be made via the cash box by the cabin door. Fill out the envelope with the group name, participant names and charges and drop it in the cash box. Schools – see number 10.
10. SCHOOLS: When you create a booking with us, we will email you a form *School Group Booking Tally* for you to keep track of your numbers and dates. Immediately after you last cabin reservation, email us the form and we will send your school an invoice.
11. School groups are expected to maintain a list of names of participants and waiver forms from parents or guardians, and to know which children are present at the trails for each visit. MMNSC does not hold any of this information.
12. Any group of club members holding an event that is open to all club members should book the cabin, but there will be no charge. If club members are holding a family gathering or some other semi-private event, they do need to book the cabin and there will be a minimum \$20 charge. Access to ski library for all skiers must be maintained.
13. If you have a special request, for example a very large group or special activities, please contact us to see if we can assist.

School Group Booking Tally

Book the cabin and trails for your group.

Visit the trails. Let us know if you change your plans. No charge for cancellations.

Fill out this form for each visit. After your final visit to the trails for the season, email the completed form to mmnsclub@gmail.com and we will invoice the school.

Our mailing address is Box 1573, Houston.

School Name:			Person in charge:
